Please replace paragraph [046] with the following amended paragraph:

[046] Fig. 14 is a drawing of image 41 expanded to image 57. Black pixels are shown at 62, and white pixels are shown at 63. A cluster of 3 x 3 dots 62 is formed from one black pixel in image 57. No cluster is printed at location 63 to represent a white pixel in image 57. It would be obvious to one skilled in the art that many differently sized and shaped clusters may be used and the sharp corners of the clusters removed.
